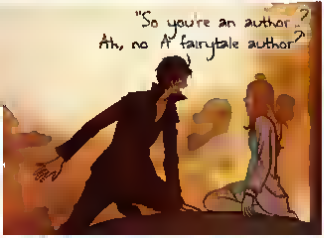
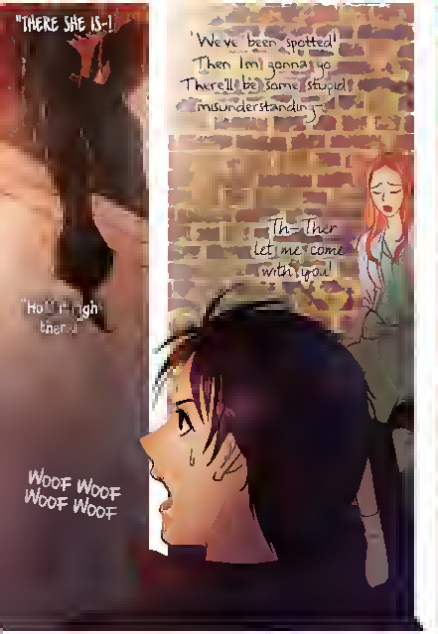
"The book you dropped yesterday, you wrote it?"
Yes
"You're Son Aerin?"
Yes



"So you're an author? Ah, no A fairytale author?"

"Eh. I've only written one children's book."
"How can you write a book if you can't see?"
"Why not? Although we're slow and inconvenience others, people like me can do whatever others can do."
"...Oh..."

"HUH?! SHE'S GONE?!"
"Did she go outside again?!! mother! Aerin ran away!"



"THERE SHE IS-!
"Ho!" Hi-gh ther-!
WOOF WOOF
WOOF WOOF
'We've been spotted!
Then I'm gonna go
There'll be some stupid
misunderstanding-

with you!

Cant you do that yourself?!
Just go run off somewhere!"
"B-But I don't have
any shoes And you
promised to help me!!!"
"..Damn it! You're all

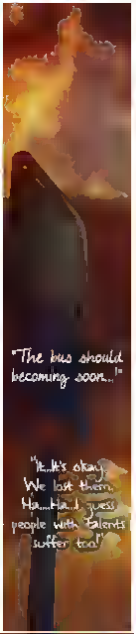
The boy lifted the girl and started running
"DO YOU THINK YOU CAN ESCAPE AGAIN?! CATCH THEM!!"
"DON'T LOSE THEM!!"
"Urgh."
"THE KID'S ESCAPING!!"
"Doesn't this sound like I'm a kidnapper?!"

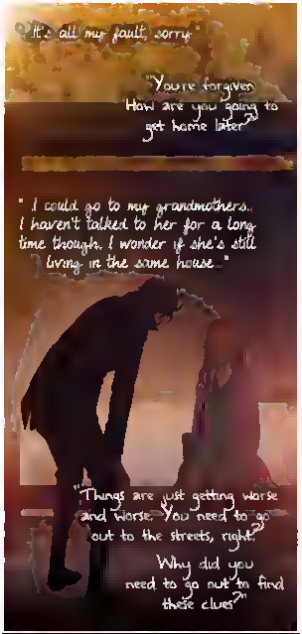
"...Hey. Aren't Those people. They're your family, right?!"
"Huh ?!"

"That's your family, right?"
Something's weird! Doesn't this look like I'm kidnapping you? Aren't you just leaving your house? It's not like I stole you or something, right?"
"So many security guards. No matter what, does it look like I want to do this?!"
"GRAB 'EM!!!"
"HURRY, GET THEM!!"
Actually, I'm not sure.
I've never seen their faces but I've never thought of them that way.

I've thought. That maybe they aren't my real family
Mother, Father, who are they? Are those my sisters?
I don't know..
Recently everything's been a mess
"Whimper_"
"..."
"As the boy held the girl to him and ran, the fairytale that he had forgotten was suddenly remembered.
Where the witch casted a spell on a girl.
Who now awaited for someone to release the magic that was placed on her blind self.



"The bus should becoming soon..."
"It..It's okay. We lost them. Ha...Ha..I guess people with talents suffer too!"



"It's all my fault, sorry"
"You're forgiven. How are you going to get home later?"
" I could go to my grandmothers.. I haven't talked to her for a long time though. I wonder if she's still living in the same house..."
"Things are just getting worse and worse. You need to go out to the streets, right?"
Why did you need to go out to find these clues?"

One year ago, I was in an accident, maybe something's at that place

...WHAT?!
SCREECH

A car accident...?
She can't see because of a car accident.
But what if something's wrong with her memory because of this accident?
What if...she's just a delusional runaway?
It can't be...
"...Hey, you know..."
lean
The girl relaxed and leaned on the boy's shoulder, falling asleep.
She fell asleep.

Before they knew it, the sky turned dark and stars appeared in the night sky
The boy was somewhat confused
What kind of situation is this girl in?
In the end, what is she looking for?
No, why am I so attentive of this girl?
The hands of the clock ticked foward. The buses stopped filling and the street signs begin to return to view.

The boy returned to the streets in order to find shoes for the girl
"So, is this okay? Winter's coming soon anyway
"Can I really have something like this?"
Ah~ I'm giving something back in return for the fairy tale book you wrote. I'll take that.
"Okay. Now. Your grandmother's..."
"Ryu Leesoo! What are you doing here?!"
"Oh, Hyung? Hey..."
"What do you mean 'hey'?! Didn't you hear? While Donghee was in the hospital, your father was drinking and getting violent because of the hospital bills!"
"...What?!"

"Now's not the time to be flirting!
Donghae will get kicked out of the hospital-!"
"Ah..
"H-Hey Heerin
My little sister's in trouble so I have to go to the hospital right now!"
"Ah..Over there, miss!
It can't be that you ran away from home just to come here and enjoy yourself..."

"Huh?!"
"Ackin, that's you over there, right? Eco Ackin?!"
"W-Who are you?"
Then someone appeared.
